HOW DO THE LSTA IMPACT THIS? and what do we do?

How to make and distribute the zine

1. Print at 100%. Most copiers default to smaller than 100%. You might have to select “do not scale” on your printer dialog box.
2. You’ll want to edit to write in your local elected officials.
3. Neatness counts when folding.
4. Leave out on tables at restaurants (with permission), at the laundromat, on tables in the library, pass them out to people.

Thanks to this blog post for visual folding instructions:
